Then for the second year in a row, Michaela McGivern dove into Fort Dodge.

This year the Lincoln Football Team broke a 27-game losing streak against Hoover. The team ran onto the field full of energy in a gold uniform rather than the normal maroon uniforms. The last minute of the game, the student section went crazy and parents and the alumni gave a standing ovation in anticipation of the clock winding down. Junior Brandon McDonough was the closet to running into state but he fell short but there is always next year for him. The team performed well against other teams during the entire season. The team had a lot of underclassmen running varsity on the team so they'll look forward to next season. The boys placed 2nd at Conference with a total of 60 points and 6th at Districts with a score of 172 points.

The Lincoln Girls Cross Country didn't send anyone to state this year but still are growing into a strong team. This season cross country started running 2.5 miles and Junior Paige Gruis set a new record with a time of 16:19. Gruis didn't run at the district meet but she might have had a chance to run at state this season. The team finished 3rd in Conference with a score of 73 and 9th overall at Districts with 243 points.

The Lincoln Boys Golf Team defeated teams such as East, North, Boone, and Roosevelt. "I shot a 36!" exclaimed Junior Ward Phillips.

A Night in Paradise

LHS Homecoming 2002

LHS Homecoming 2002

Now, with adulthood and the responsibilities it brings just around the corner, most of us have already begun to forget the most important heroes of all: our parents. Let's face it, without their endless patience and love we would have never made it to where we are now. So, even if it is a little late, thanks Mom, thanks Dad, for playing taxi when band practice ran late, putting up with every last slammed door, and being quick with the TLC when bee-stings and scraped elbows turned my world upside down. Thank you for not letting me quit, no matter how many times I fell off that bike learning to ride it, and for making me eat my vegetables. Thank you for giving me the extra gas money even though I'd already hit you up for cash four other times that week. Thank you for setting my curfew at midnight, but letting me slide a few times when I came home late. Thank you for occasionally pretending you never heard the attendance man call, but most of all, thank you for loving me unconditionally, no matter what kind of attitude I gave you, and listening even though you knew I was wrong. That kind of love is the best gift any child could ever receive, and I know I haven't been the best at showing it, but I appreciate you so much more than you know. And that's the way it's going to stay, no matter how many miles away college is this fall.

Trisha Masten

I always knew that your combination of blonde hair and brown eyes would catch the boy's looks. You have grown to be a beautiful woman as I expected. Your constant smile, pleasant voice and bubbly personality will be assets when you start a career after college. You have proven that you can do whatever you set your mind to. You have the rest of your life to make a place for yourself in this world. Take your time and enjoy life along the way.

I will love you always,
Mom

Lonnie Robinson

Congratulations Lonnie. I am so very proud of you. There were many times I did not think you would make it here. But your strange will and determination proved me wrong. Carry these traits with you through life and you will go farther than you ever thought you could. I know you can do whatever you set your mind to. I love you,
Mom

Megan Zeller

The day you were born was the happiest day of our lives. You were our baby girl then and you still are, even though you have grown into such a beautiful woman.

Time has gone by so fast, it seems like only yesterday you were going to kindergarten and now here you are graduating. We've watched you work so hard through the years to reach your goals; you always stuck with it regardless of how tough it was. We love you with all our hearts and we know you will succeed going into your new life. But remember no matter how tough things get we will always be here for you.

Love always,
Mom and Dad

Jean Marie Clipperton

We've watched you grow into a wonderful, young woman who's kind, sensitive and thoughtful. It seems like just a short time ago you were learning to read with your book upside-down on your lap. You've always been such a determined, independent girl. We pray that God will continue to give you wisdom and would go before you and help you in all that you do. We love you and are proud of you, Jean.

May the good Lord be with you
Down every road you roam.

May sunshine and happiness
Surround you when you're far from home.

And may you grow to be proud,
dignified and true.
And do unto others as you'd have
done to you.

And when you finally fly away
We'll be hoping that we served you
well.

But whatever road you choose,
We're right behind you--win or lose.

And in our hearts you'll always stay
Forever Young!

We love you,
Mom and Dad

Gina Tursi

Gina--
Your presence is infectious!
Live each day with your
sweetness, touching others
in your own precious way.

R.J. and Gina

When we were little you
were bigger than me. You
took care of me and you
tried to teach me how to be
a loving bother.
Now that we're both older,
I'm bigger than you and I
try to take care of you as
much as I can, even if I'm
busy.
It seems as if you taught
me well when I was young.
While You are away at
college just remember that
I'll be back here and am
always ready to lend a
hand.

Megan Morgan

Megan--
You are a blessing sent by
God. Continue to grow in
your faith and seek God's
will for your life. We are so
proud of you and your
accomplishments. You are
everything we could have
hoped for in a daughter.
Love Always,
Dad and Mom

Stacy Livingston

We are very proud of your
accomplishments at Lincoln
and throughout your school

You have exceeded our
expectations in academics,
sports and everything you
do.
We know you will continue
to excel in college and in

We love you!

Katie Evans

It seems like just yesterday we were playing "our drums" and playing house (although you got stuck playing the dog a lot!) Now I look forward to gossiping with you and coming home on breaks to find you have taken over my room and closet. Somewhere in between all that you have become a best friend. You may stand several inches taller and be ready for college, but you'll always be my baby sister. Best of luck, Stinky! Love, Sara
P.S. We'll always have our late-night calls.

Katie Evans

From the moment you met your first deadline on your due date, through school, softball, volleyball, church activities and family life, you have made us so proud. Keep God first in your life and know that your family will always be here for you with love and support. Keep learning, dreaming and smiling. You are the "Queen" of our hearts. Love,
Mom, Dad, Sara and Lilly

Stephanie Layne

I can't believe my baby girl is graduating from high school. You've already accomplished so much at such a young age, there's no question that your life after high school is going to be a huge success, personally, professionally and financially. You already know that great things come to those who work hard, remain focused and are committed. You're very fortunate to have already figured out this secret at such a young age. Always remember that I'm here for you whether you're a couple hours away in Iowa City or miles away living in another state or country. You are a very, very special person and I consider myself luckier than any Lotto winner to have a daughter like you! Love, Mom

Iowa began to look a lot like winter, for a couple days when Des Moines received its first sticking snow. But it didn't last long. The new members of National Honor Society were announced Tuesday. Drama students were busy rehearsing for the fall plays, "The Boys Next Door" and "Steel Magnolias", which were performed on Thursday, Friday, and Saturday. The girls state swimming meet was held over the weekend. Five swimmers qualified for the meet and all did very well.

Captured in a dream

2003 Administration and Faculty

Mr. Albert Graziano
Principal

Abraham Lincoln High School opened to students in September 1923 at our present location. An earlier Lincoln existed in the late 1800's at the southwest corner of North and Mulberry streets. Subsequently, students also attended West High School located at 15th street and Woodland Avenue. Students have now attended the "new" Lincoln High School for seventy-nine years, and Lincoln has recently been listed on the National Register of Historic Places.

"Southside Pride" rings through all of the generations of families who have attended Lincoln. The "historic" building is what people see as they pass by the school, but it is the many positive achievements accomplished by students that make Lincoln the great school it has become. Students, working together with teachers and coaches, make our classrooms effective learning centers, our auditorium stage a showcase of talent, and our athletic fields a focal point of activity and excitement.

The class of 2003 has added significantly to the legacy of Lincoln through their achievements in academics, music, drama and sports. Senior leadership directed clubs and activities ranging from Dorian Art to National Honor Society to Student Council and provided the spark that generated student life at Lincoln throughout the year. The pages of this yearbook attest to their school spirit and pride.

We congratulate the Class of 2003 and wish you the best in the years to come.

MAY

May was a month full of new and old activities. The show choir's gave their final show during the beginning of the month and said good-bye to all of the seniors. The first annual South Side Arts and Music Festival took place on the practice field on a Saturday and had a large turnout of new bands and people coming to see what it was all about. Seniors ran around trying to fulfill their last requirements in order to graduate, while underclassmen wished they were almost out of school too. The library started rewarding people for having overdue books by giving free movie rentals for people who turned their books in. Spring sports teams remained active while baseball and softball teams began preparing for their summers. It was announced that Mr. Graziano would postpone his retirement to remain the principal through the 2003-2004 school year. Students came together in support of Senior Julius Carter. And of course, everyone was eager to finish off the year.

Clockwise from above far left: Campus Monitor Joe Puls was violent with his co-worker Cindy Steben. Senior Jennifer Carlson and Junior Michelle Rice sat down to remember all the great times throughout the year. No one knows exactly what Junior Dylan Smith was doing at this moment. Juniors Erin Walkowiak and Robin Phommavong were excited while thinking about choir for the next year. Junior Eric Baker was depressed that he was still going to be in school while seniors were able to leave. Junior Tanya Johnson listened carefully and took notes for her class. Junior Courtney McGaffty thought happy thoughts about how much fun she was going to have next year in newspaper. Sophomore Tessa Malinberg seemed a bit less enthused about being in Spanish compared to Junior Ivan Bellmer. Seniors Erin Matthews and Jessica Stark only pretended to be happy about leaving Lincoln. Or were they pretending? It was hard for Junior Elizabeth Struck to let go of Senior Lindsey Stinson before graduation.

Left: Juniors Jake Krohn and TJ Crum did not joke around when posing for the ladies. **Right:** Sophomore John Bevens and Senior Megan Shipley thought hard about what to say next in a drama presentation. **Below left:** Juniors Kelly Madden and Amber Engstrom loved doing school work down in the library. **Below:** Students had too much fun being in the library. **Below right:** Senior Megan Fitzgerald waved good-bye to all those who were in the drama hallway.

Boys swimming

This year the boys swim team was very small but had many gifted swimmers. Only having ten swimmers out for the team and having only eight participate in the meets the team did good. Many of the freshmen brought talent and scored valuable points. The returning swimmers dropped lots of time from last season. The swim team had three seniors, three juniors, and four freshmen. Almost all the team dropped time at Districts. Junior Eric Crawford was the only State qualifier this year and went in the 50 free and 100 fly.

"Please Remember"

*Time, sometimes the time just slips away
And your left with yesterday
Left with the memories
I, I'll always think of you and smile
And be happy for the time
I had you with me
Though we go our separate ways
I won't forget so don't forget
The memories we made*

*Please remember, please remember
I was there for you
And you were there for me
Please remember, our time together
The time was yours and mine
While we were wild and free
Please remember, please remember me*

*And how we laugh and how we smile
And how this heart was yours and mine
And how a dream was out of reach
I stood by you, you stood by me
We took each day and made it shine
We wrote our names across the sky
We ride so fast, we ride so free
I have you and you have me
Please remember, please remember*

*Goodbye, there's just no sadder word to say
And it's sad to walk away
With just the memories
Who's to know what might have been
We'll leave behind a life and time
We'll never know again*

*Please remember, please remember
I was there for you
And you were there for me
Please remember, our time together
The time was yours and mine
While we were wild and free
And remember, please remember me*

*Please remember, please remember
I was there for you
And you were there for me
And remember, please remember me*

A memory lasts forever; never does it die. True friends stay together and never say good-bye!

Colophone

The 2002-2003 yearbook was produced in room 28--fondly known as the dungeon.

With the temperature ranging between 85 and 90 degrees all year, the staff steadfastly worked on layout after layout beginning in September and actually finishing the index during the last week of June.

Our yearbook is 272 pages in length printed on snow white 80 pound glossy stock. The base ink is black with 16 pages in four color in addition to a four color tip-in.

The cover is a traditional maroon texture over a 12 pound board with foil printing.

The binding is sewn.

The majority of photos used were shot with an Olympus C-4040 Zoom camera with a 7.5x zoom at 4.1 megapixels.

We used Josten's Yeartech software program along with Pagemaker 6.5 and Photoshop 5.0 to create this book.

To our graduates:
Allison Cherry, Katie Evans, Stephanie King, Sarah Leonetti, Amanda Masker, Zsanette Palmer, Britni Stevens, Chelsea Swehla, Amanda Test, Brandon Ortale and Megan Morgan--THANKS for your sense of humor, hours of devotion and creativity. Most of all, a personal thanks for enriching my day with the gifts each one of you possess.

Continue along your journey and make a positive difference just as you did during your time spent in room 28.

Godspeed class of 2003.
